cuddling wombats

Cuddling Wombats

Cuddling Wombats are soft toys made for giving lots of cuddles. Made in Australia with all new materials they are safe for children and make an ideal gift for any age. No animal products are contained in these cuddly wombats. Their cost includes a contribution towards the work of the Wombat Protection Society of Australia. In recognition of this, when you or your child receives and name the wombat, email the Society and you will be sent an adoption certificate for him or her. Cuddling Wombats come in four sizes:
